This permit is valid for open burning as allowed and specified in Minn. Rules pts. 7005.0705 to 7005.0805, MS 88.16, Minnesota Uniform Fire Code, and local ordinances. The applicant is granted permission to burn the above-described materials at the specified location during the dates and times listed above.

Application Requirements

I agree:

- To keep this fire under control and assume responsibility for all damages and costs resulting from burning done under this permit.
- To attend to this fire until completely extinguished.
- Not to burn if there is a practical alternative method for material disposal, such as chipping or composting.
- To use a clean burning device to start the fire.
- Not to burn paper or cardboard except as provided by Minnesota Statutes 17.135.
- To completely extinguish the fire immediately if this permit is revoked.
- To have this permit available at the burn site for inspection at all times.
- That prevailing wind must be away from nearby occupied buildings. 5 MPH or less is ideal.
- Not to allow fires to generate a large amount of smoke.
