Re: Notification Regarding Concrete Driveway Construction

The purpose of this notice is to inform you that construction crews are scheduled to replace the end of your concrete driveway beginning Monday, June 22nd.

Once the new concrete is poured, it takes 5 – 7 days for the new concrete to cure and build enough strength to withstand driving over with a vehicle. To ensure continued access, please remove all vehicles that will be needed during the week of June 22nd from your driveway before 7:00 a.m. on Monday, June 22, 2026. Please temporarily park your vehicles on the street, far enough away from driveways to allow the construction crews to perform their work.

City ordinance prohibits overnight on-street parking. Engineering staff will be informing the Ramsey Police Department that vehicles may be parked on the street during the week of June 22nd.

For questions related to construction of the project, including special access needs or concerns, please contact Aaron Madsen, the City's Senior Construction Inspector, at (763) 286-2579 or amadsen@cityoframsey.com.

Please contact me at jferiancek@cityoframsey.com or (763) 433-9893 with any questions related to this letter or the project in general.

Sincerely,

Joe Feriancek
Assistant City Engineer
