COMMERCIAL/INDUSTRIAL

The City of Ramsey is committed to being a pro-economic development community. This commitment is reflected in its successful history of developing industrial parks with new businesses and exemplified by existing businesses choosing to expand in Ramsey. The city emphasizes commercial and industrial growth through the City's strategic and comprehensive plans. These plans ensure that economic development remains a central focus for the community's future.

The cities of Ramsey and Anoka share a large business park spanning 1,000 acres. This business park includes office, warehouse, assembly, and manufacturing users and is home to 10,000 jobs.

Since 2020, almost 900,000 square feet of industrial building space and 400,000 square feet of commercial and retail space have been constructed. The Bunker Lake Industrial Park has experienced the most significant activity in recent years.

THE COR

The City of Ramsey's COR is an impressive 400+ acre transit-oriented and walkable urban development. Strategically located near U.S. Highways 10 & 169, it promotes accessibility and convenience. This mixed-use area features a blend of residential, retail, office, recreational spaces, and government facilities. The COR aims to create a cohesive community that supports sustainable living and economic growth, making it a key focal point for residents and visitors.

In 2009, the City of Ramsey acquired The COR to transform it into a vibrant urban center through a public/private partnership. Nearly 50 acres within The COR is available for development, with about 20 acres owned by the city. In addition, 40 acres next to The COR is designated for commercial and retail development, boosting growth potential and attracting new businesses. This makes The COR an exciting opportunity for developers and investors focused on community revitalization and growth.
